TOPS Club Has First Anniversary

The TOPS Club—Take Off Pounds Sensibly—of Torrance has the same number of members this week as it celebrates its first anniversary, but its membership is 850 pounds lighter than last September 5. The club was founded for all women who have a weight problem and need to reduce. The members help give one another the will power to push away from the table without that extra dessert. The group has approval of the AMA and through group therapy many members have taken off unwanted pounds. The local chapter meets every Tuesday at 7:30 p.m. at the Episcopal Church, 1432 Engracia. A teen-age group meets Thursdays.

Families Tour Yosemite Park

Yosemite National Park was especially crowded last week. And every other automobile seemed to bear residents of Torrance as they toured the Yosemite Valley. The reason for this invasion of the recreation area is the Torrance YMCA. Thirty-four families spent the week in Yosemite as part of the local Y's family program. The Y reserved a special campsite for the 270 people, and a regular program of hikes, auto tours, swimming, nature lore, campfires, chapels, weiner bakes, and burro rides was conducted. The YMCA also provided a staff of babysitters to take some of the child care duties away from relaxing parents. However, a great many events call for family participation together. The Torrance Y Board will be meeting soon to consider changing its name to the Torrance Family YMCA to reflect the work being done to enrich family life in the city.

With "Fashion Fun" as the theme, Court St. Catherine, Catholic Daughters of America, Torrance, will present their annual fashion show Thursday Sept. 21, in the new Nativity Church annex, corner of Engracia and Arlington avenues, Torrance.
